

Certificate of Conformance

Date: February 25, 2014

This is to advise that your recent purchase of the following RectorSeal® product(s) conforms to the established Quality Control requirements for that/those product(s):

<u>Product Name(s)</u>	<u>Batch Date(s)</u>
Metacaulk® 1000	110513K
Fire Stop Sealant	110613C
	110613E

These products were produced in the fourth quarter of 2013 (4Q13). This product has a three year shelf life in the unopened container. This material contains no mercury or mercury based compounds and conforms to both UL1479 and UL2079.

Should you have any questions or require any further information concerning the above noted product(s), please contact our Quality Control Department at 800-231-3345.

Sincerely,
RectorSeal
